

C-Kelp N (15.3-2.7-6.8)+ Trace Elements

C-Kelp N contains 6% seaweed concentrate. C-Kelp N is a seaweed foliar spray that contains cytokinins, auxins, carbohydrates, betaines and amino acids which assist uptake of nutrients. C-Kelp also contains the trace elements manganese, copper, iron, zinc, boron and molybdenum.

C-Kelp N + TE delivers all of the advantages of a kelp foliar fertiliser with the added bonus of a high N formulation.

Application Rates & Information

- **1 to 3lt per hectare for both foliar & soil applications.**
- **For soil application water in well to ensure good incorporation.**
- **C-Kelp N is compatible with most insecticides, fungicides and other fertiliser products. A jar test is recommended before tank mixing.**

General Handling & Storage

- Store in a clean, dry place at temperatures between 4° and 40° C.
- Use appropriate protective wear including gloves and face shield.
- Do not store in direct sunlight.
- Keep container tightly closed.
- Do not store diluted product.
- Do not apply undiluted product.
- Agitate well before use.
- Keep out of reach of children.

Pack Size: Litres
Manufacture Batch:

C-Kelp N + TE

15.3 - 2.7 - 6.8

Liquid Soil & Foliar Plant Fertiliser

Plant Growth Stimulant & Micro-organism Stimulant.

Trace Elements Typical Analysis

Mn 250 ppm, Cu 25 ppm, Fe 712 ppm, Zn 200 ppm, B 25 ppm, Mo 25 ppm

Manufactured by:
Ausmin Australia Pty Ltd
66 Chum st. Dinmore Qld

CONDITIONS OF SALE

1. All goods supplied are made from high grade materials and are believed to be suitable for use when directions are followed.
2. The manufacturer has no control over storage, handling, mixing, application or on the variables of weather, plant or soil conditions before, during or after application all of which may have an effect on the performance of this product. No responsibility will be accepted for any failure of performance, losses, damage, or injuries caused by such or for any failure of the buyer to follow the directions on the label when using this product. The buyer assumes all responsibility for storage, application and use of this product.
3. These conditions of sales cannot be modified, varied or waived by the manufacturers staff, distributors, agents or retailers whether or not they advise or assist in the storage, handling, mixing or use of this product.
4. Liability is limited to the replacement of faulty goods only.

Caution

- **Do not swallow, keep away from eyes.**
- **If swallowed seek medical advice.**
- **Avoid contact with skin.**
- **If contact with skin or eyes occurs, wash immediately with clean water.**
